**PAGARBAI TŲ, KURIE
ŽUVO**

Šiandien gerovė ir gera valia apsupa milijonų žmonių gyvybes, kurios naudojasi ir džiaugiasi tautos taika. Šiandien, kuomet sueina dvidešimt antra metinė sukaktis taikai nuo karo ir grumtynių, prisiminkime heroizmą tų, kurie buvo pašaukti į kovų laukus, kuriuos patriotizmas taip garbingai vedė į mirties pavojų, jų pasišventimą tikslui, kuris davė jiems įkvėpimą padaryti pasaulį geresne vieta gyventi.

THE FLOWER OF LIBERTY

By OLIVER WENDELL HOLMES

When those fliering flaming glories
Were displayed across the sky
In remembrance of the stories
Of brave men in days gone by.
Then we thought of deeds of daring
And of clear and steadfast Minds
That had set the country faring
Safe through the tempestous Winds.

Then we pondered on the toiling
And the watches of the night;
Of the suffering and despoiling
Braved in reverence of the Right.
And each memory we cherish
Shall not fade away and die
Shall not be allowed to perish
Like a rocket in the sky.
