

THE OPEN ROAD

By WALTER KUBILIUS

The Holiday Season is here (original thought!) and with it we shed our knowledge of the war in Europe...

worth living. But lest we carry into 1940 some of the things that wouldn't do us any good—we will get rid of them here.

straws in the wind

MIKE, my reporter friend, dropped in the other night for a program of Hayden recordings I had arranged.

Just then Philosophooey happened in and asked if the music of the master had begun.

Letter Recalls 1919 Butchery

LOS ANGELES. — An indication of what Finnish people in this country are thinking about the present situation in Finland has been received by Ed Robbin, commentator for the People's World, San Francisco progressive paper.

MOVIES

Separated by six thousand miles from the European battle front, Hollywood nevertheless is feeling the effects of World War II.

When I was in Finland I saw the soldiers training everywhere in rain or shine, snow or blizzard. I am hoping from the bottom of my heart that these husky Finns that I saw there are fighting now against the Butcher Mannerheim and his kind to liberate the Finnish people from their oppressors.
